

6TH TO 9TH NOVEMBER 2025

📍 HYDERABAD INTERNATIONAL CONVENTION CENTRE-HICC

PEDICRITICON

ADVANCING INNOVATION IN PEDIATRIC
CRITICAL CARE WITH COMPASSION

NATIONAL CONFERENCE OF IAP
INTENSIVE CARE CHAPTER 2025

INDIA'S **BIGGEST** PEDIATRIC CRITICAL CARE ANNUAL EVENT

📍 HYDERABAD INTERNATIONAL CONVENTION CENTRE-HICC

SCIENTIFIC SCHEDULE

DATE: 7th Nov Day -01

Hall - A

Time	Topic
7:30am onwards	Registration
8:00am - 10:00am	The Pediatric Cardiac ICU
8:00am - 8:20am	Crack the Cardiac Code: Applied Physiology Made Simple
8:20am - 8:40am	Infections in the Cardiac ICU: When Bugs Break Hearts
8:40am - 9:00am	Silent Hypoxia: Recognizing & Managing Pulmonary Hypertensive Crisis
9:00am - 9:40am	Panel Discussion : Cardiac Failure & Cardiogenic Shock
9:40am - 10:00am	Quiz: GAME ON – “Crash or Stabilise?”
10:00am - 10:30am	Tea Break
10:30am - 12:30pm	Pediatric RespICU: The Superspeciality Edge
10:30am - 10:45am	Immune phenotyping and immunomodulation in pediatric acute respiratory critical care
10:45am - 11:45am	Pediatric respiratory critical care research and promoting the development of a research network in India - identifying key gaps
11:45am - 12:00pm	Understanding Pressure-Volume Loop
12:00pm - 12:15pm	Monitoring of Strain and Stress without Using Oesophageal Manometry – Are We There Yet?
12:15pm - 12:30pm	Concept of Recruitment to Inflation Ratio - What does it really mean ?
12:30pm - 1:30pm	LUNCH
1:30pm - 3:30pm	Critical Kidneys: PICU Perspectives
1:30pm - 2:00pm	Debate - SLEDD Vs CRRT - Which one is the right choice RRT modality in Pediatric ICU in Indian Context
2:00pm - 2:15pm	Managing Sodium disturbances during CRRT
2:15pm - 3:00pm	Management of Complications related to blood based dialysis in PICU
2:00pm - 3:15pm	Precision prescription methods in CRRT
3:15pm - 3:30pm	CRRT for Non-renal indications in PICU
3:30pm - 4:00pm	Tea Break
4:00pm - 5:00pm	PediCitiCon Keynotes
4:00pm - 4:30pm	Plenary 1
4:30pm - 5:00pm	Plenary 2
5:00 onwards	Convocation

SCIENTIFIC SCHEDULE

DATE: 7th Nov Day -01

Hall - B

Time	Topic
8:00am - 10:00am	Onco-Transplant ICU: Challenges & Solutions
8:00am - 8:30am	Panel Discussion : Liver Transplant: Mastering Post-Op Complications
8:30am - 9:00am	Panel Discussion : HSCT: Navigating HSCT Challenges
9:00am - 9:15am	Fungal & Viral Infections: "Current Solutions"
9:15am - 9:30am	Infections in Immunocompromised
9:30am - 9:45am	Febrile Neutropenia: "Timely Interventions"
9:45am - 10:00am	Oncologic Emergencies: Expert Strategies
10:00am -10:30am	Tea Break
10:30am -12:30am	Navigating Neurocritical Challenges: Advanced Perspectives in Pediatric Care
10:30am -10:45am	Autoimmune Encephalitis in Children: Critical Care Perspectives
10:45am -11:15am	Routine Neuroimaging in Pediatric Coma: CT vs. MRI as First-Line Modality?
11:15 am -11:45am	Acute Flaccid Paralysis in the PICU: GBS, Myelitis, or Something Else?
11:45am -12:30pm	Panel Discussion : Super-Refractory Status Epilepticus: How Far Should We Go?
12:30pm - 1:30pm	LUNCH
1:30pm - 1:30pm	Safeguarding Practice: The Financial and Medicolegal Matrix in PICU
1:30pm - 4:00pm	Tea Break
4:00pm - 5:00pm	PediCitiCon Keynotes
4:00pm - 4:30pm	Plenary 1
4:30pm - 5:00pm	Plenary 2
5:00pm onwards	Convocation

SCIENTIFIC SCHEDULE

DATE: 7th Nov Day -01

Hall - C

Time	Topic
8:00am -9:15am	Innovators of Tomorrow: Pediatric Critical Care DM/DrNB Thesis Awards
10:00am -10:15am	Tea Break
10:15am -11:15am	PICU Case Cafe
11:15am -12:30pm	PICU Education & Training
12:30pm -1:30pm	LUNCH
1:30pm - 3:30pm	Pediatric Research Networking
3:30pm - 4:00pm	Tea Break
4:00pm - 5:00pm	PediCriticCon Keynotes
4:00pm - 4:30pm	Plenary 1
4:30pm - 5:00pm	Plenary 2
5:00pm onwards	Convocation

SCIENTIFIC SCHEDULE

DATE: 8th Nov Day -02

Hall - A

Time	Topic
8:00am - 9:00am	Free Paper: 6 papers of 8+2 mins each
9:00am - 11:00am	Cardiac Critical Care: Rhythms of Survival
9:00am - 9:15am	Breath Meets Beat: Unraveling the Mechanisms and Management of Heart - Lung Interaction in Critically Ill Children
9:15am - 9:30am	Pediatric Mechanical Circulatory Assistance from Innovation to Impact- Tiny Hearts, Big Support. (agenda: Mechanical Circulatory Assistance in Pediatric Critical Care: Innovations and Insights)
9:30am - 9:45am	Evolution of monitoring..what if I could have only1 monitor
9:45am - 10:15am	Palliative Cardiac Surgery in Resource-Limited Settings: Ethical Necessity or Compromise?
10:15am - 11:00am	Panel Discussion : From Collapse to Comeback: Pediatric Cardiac Arrest through the Lens of Multidisciplinary Care (agenda-Cardiac Arrest in Children: Multidimensional Perspectives on Survival and Recovery)
11:00am - 11:15am	TEA BREAK
11:15am - 12:15pm	PediCriticCon Keynotes
11:15am - 11:45am	From Transplant or Bust to Multi-system Mastery: Reimagining Paediatric Acute Liver Failure in the ICU - Dr Akash Deep
11:45am - 12:15pm	Dr Anil Sachdev
12:15pm - 1:30pm	India's PICU Data Story
12:15pm - 12:45pm	Voices Behind the Data Conversations with India's Top PICU Researchers of 2024-25
12:45pm - 1:30pm	Data Dreams or Data Drama? Unmasking the National PICU Database (agenda - National pediatric critical database; myths and reality)
1:30pm - 2:30pm	LUNCH
2:30pm - 5:30pm	Beyond the Breath: Innovations and Challenges in Pediatric Respiratory Care
2:30pm - 2:45pm	From Prolongation to Liberation: Managing Long-Term Pediatric Ventilation
2:45pm - 3:00pm	Muscles May Fail - Protocols Shouldn't !.. Extubation Strategies in Neuromuscular Disease. (agenda - Can't extubate !.. Management options in PICU (Weaning and Extubation Protocols in Neuromuscular Disease: Tailoring the Approach. This topic is not about long term or home ventilation)

SCIENTIFIC SCHEDULE

DATE: 8th Nov Day -02

Hall - A

Time	Topic
3:00pm - 3:15pm	Silent Lungs, Active Circuit: Rethinking Ventilation During ECMO (Ventilating ECMO Patients: Evidence-Based Tactics)
3:15pm - 3:30pm	Vent Smarter, Not Harder: Exposing the Subtle Dangers of Mechanical Support (agenda - main focus on VILI)
3:30pm - 4:15pm	Panel Discussion : Breathless Battles: Viral Pneumonia That Won't Back Down: What's the Trend in Pediatric Viral Pneumonia? (agenda - Approach to difficult Viral pneumonia-what's the current management trend?)
4:15pm - 4:45pm	The New Gold Standard in Ventilation? In Mechanical Power We Trust... or Not? (agenda (Is Mechanical Power is the Ultimate Power Tool for Lung-Protective Ventilation..Pro Con Debate)
4:45pm - 5:30pm	Panel Discussion : Global Lungs, Local Challenges: Advancing Equitable Pediatric Respiratory Care. (agenda - Global Innovations and Equity in Pediatric Respiratory Care.To discuss about the issues faces in low and medium income countries in implementing Global standards))
5:30pm - 6:00pm	TEA BREAK
6:00pm- 7:00pm	AGM
7:00pm - 8:00pm	INAUGURATION
8:00pm onwards	GRAND GALA DINNER

SCIENTIFIC SCHEDULE

DATE: 8th Nov Day -02

Hall - B

Time	Topic
8:00am - 9:00am	Free Paper 6 papers of 8+2 mins each
9:00am - 11:00am	Mapping the Maze: Pediatric Hemodynamics from Scores to Solutions
9:00am - 9:15am	Scoring Sepsis: Does the Phoenix Truly Rise or Just Glide? (agenda - Phoenix Sepsis Score: Is it really a step in the right direction? (The author should talk about its some right things but mainly highlight on its limitations)
9:15am - 9:30am	New Tools for Tough Shocks: The Future of Vasoactive Support in Pediatrics. (agenda-Exploring Advanced Vasoactive Agents: Beyond the Standard Toolkit)
9:30am - 9:45am	New Tools for Tough Shocks: The Future of Vasoactive Support in Pediatrics. (agenda-Exploring Advanced Vasoactive Agents: Beyond the Standard Toolkit)
9:45am - 10:15am	Debate: Lactate in Septic Shock: Marker of Perfusion or Marker of Confusion? (agenda- Use of Lactate to Guide Resuscitation in Pediatric Septic Shock: Helpful Marker or Misleading Metric? DEBATE
10:15am - 11:00am	Panel Discussion : Echo in Action: Real-Time Clarity for Real-Life Hemodynamics. (agenda - Functional ECHO in hemodynamic assessment– Beyond ejection fraction)
11:00am - 11:15am	TEA BREAK
11:15am - 12:15pm	PediCriticCon Keynotes
11:15am - 11:45am	From Transplant or Bust to Multi-system Mastery: Reimagining Paediatric Acute Liver Failure in the ICU - Dr Akash Deep
11:45am - 12:15pm	Dr Anil Sachdev
12:15pm - 1:30pm	PICU 360°
12:15pm - 12:30pm	Smarter Care: Can AI Think Like a Human Intensivist?
12:30pm - 12:45pm	From ICU to DNA: Precision Medicine in Pediatric Critical Illness. (agenda-epigenetics and genetics in ped crit care)
12:45pm - 1:30pm	Panel Discussion : Interpreting Critical Labs in Suspected Metabolic Disease (agenda should be algorithmic crisp approach)
1:30pm - 2:30pm	LUNCH

SCIENTIFIC SCHEDULE

DATE: 8th Nov Day -02

Hall - B

Time	Topic
2:30pm - 5:30pm	Neurons at Risk: Precision Neurocritical Care for Children
2:30pm - 2:45pm	Transcranial Doppler in Pediatric CNS Infections: Diagnostic And Prognostic Value
2:45pm - 3:00pm	Brain Under Siege A Pediatric Intensivist's Guide to Septic Encephalopathy (Septic Encephalopathy Demystified: A Critical Guide for Pediatric Intensivists)
3:00pm - 3:15pm	Waking the Mind Gently: Can Pediatric Delirium Truly Be Prevented? (Preventing Pediatric Delirium: A Possibility or a Paradox?)
3:15pm - 3:30pm	Mind Over MAP: Monitoring Cerebral Autoregulation in Sick Children (Cerebral Autoregulation in Critically Ill Children: Clinical Relevance and Monitoring)
3:30pm - 4:15pm	Panel Discussion : Rescue, Restore, Rewire: Protecting the Pediatric Brain After Trauma and Arrest. (agenda- Neuroprotection Strategies Following Pediatric Cardiac Arrest and TBI)
4:15pm - 4:45pm	cEEG: Essential Surveillance or Expensive Overkill? (agenda-Management of raised ICP in children- International Guidelines versus ground reality / Continuous EEG monitoring - necessity or overuse?)
4:45pm - 5:30pm	Panel Discussion : Innovation Over Infrastructure: Delivering Neurorehab in Our Real World. (agenda - Neurorehabilitation in resource limitation settings)
5:30pm - 6:00pm	TEA BREAK
6:00pm - 7:00pm	AGM
7:00pm - 8:00pm	INAUGURATION
8:00pm onwards	GRAND GALA DINNER

SCIENTIFIC SCHEDULE

DATE: 8th Nov Day -02

Hall - C

Time	Topic
8:00am- 9:00am	Free Paper: 6 papers of 8+2 mins each
9:00am - 11:00am	Urgency & Algorithms: The Golden Hour Toolkit
9:00am - 9:15am	Code Red: Rapid Response to Pediatric GI Bleed (AgendaGI Bleed: Resuscitation: Early Nuts And Bolts)
9:15am - 9:30am	When Wheeze Won't Ease: Tackling Severe Pediatric Asthma (Agenda: Severe Asthma)
9:30am - 9:45am	Head Start: Timely Interventions in Traumatic Brain Injury (AgendaTBI: Timing of Interventions-The Golden HOUR management)
9:45am - 10:15am	Start Slow or Start Smart? Should Golden Hour DKA Management Be Aggressively Standardized ?
10:15am - 11:00am	Panel Discussion : Dengue Gone Wild: Navigating the Complications (Agenda: Complicated Dengue)
11:00am - 11:15am	TEA BREAK
11:15am - 12:15pm	PediCritiCon Keynotes
11:15am - 11:45am	Dr Akash deep
11:45am - 12:15pm	Dr Anil Sachdev
12:15pm - 1:30pm	PICU 360°
12:15pm - 1:00pm	Panel Discussion : Between Guidelines and Ground Reality: Talking to Families in Indian PICUs (Agenda:Counselling of families of a sick child: how the guidelines hold in India?)
1:00pm - 1:15pm	Clots in the Crosshairs: Navigating VTE in the ICU
1:15pm - 1:30pm	Emerging Threats, Evolving Tools: Immunotherapy in Pediatric Critical Infections
1:30pm - 2:30pm	LUNCH

SCIENTIFIC SCHEDULE

DATE: 8th Nov Day -02

Hall - C

Time	Topic
2:30pm - 5:30pm	The Practical PICU
2:30pm - 2:45pm	The Oxygen Tightrope: Too Much, Too Little, Just Right?
2:45pm - 3:00pm	Top Ten Websites in Critical Care Medicine Education
3:00pm- 3:15pm	Tropical Fever-Syndromic Approach [agenda- Re- emerging tropical diseases (Chikunginea, scrub typhus, Leptospira, Mycoplasma, Rikketsial, Drug resistant enteric fever)]
3:15pm - 3:30pm	Calories, Catabolism, and Catch-Up: Nutrition in the Sick Child Nutritional Challenges In A Sick Child)
3:30pm - 4:15pm	Fluid, Not Flood: Smarter Resuscitation in the PICU (Agenda:Fluid (Agenda: Stewardship In A Critically Ill Child.)
4:15pm - 4:45pm	RRT Timing: Act Fast or Wait Smart? (Agenda:Timing of Renal Replacement Therapy-How early is too early?)
4:45pm - 5:30pm	Panel Discussion : Pus, Air, and Trouble: Stepwise Care in Necrotising Pneumonia (Agenda:HOW DO I MANAGE NECROTISING PNEUMONIA?)
5:30pm - 6:00pm	TEA BREAK
6:00pm - 7:00pm	AGM
7:00pm - 8:00pm	INAUGURATION
8:00pm onwards	GRAND GALA DINNER

SCIENTIFIC SCHEDULE

DATE: 9th Nov Day -03

Hall - A

Time	Topic
8:00am - 9:00am	Free Paper 6 papers of 8+2 mins each
9:00am - 11:00am	The Hepato-Renal Tightrope: Pediatric ICU Challenges and Solutions
9:00am - 9:15am	Perfuse, Protect, Preserve: The New Mantra for AKI Management (Agenda: Perfusion Optimization And Replacement- Buzz Word For AKI)
9:15am - 9:30am	Post-Transplant Panic: ICU Nightmares After Pediatric Liver Transplant (Agenda: Liver Transplant: What Are The Worst Nightmare For Intensivist?)
9:30am - 9:45am	CKRT in IEM
9:45am - 10:15am	Coming Off CRRT: Protocol Precision or Clinical Wisdom? (Agenda: Coming Off CRRT: Protocolised Approach Versus Clinical Intuition? Pro Con Debate)
10:15am - 11:00am	Panel Discussion : Friend, Foe, or Firefighting Tool? CRRT & Plasmapheresis in Pediatric ALF (Agenda: CRRT & Plasmapheresis In Liver Failure: Friend, Foe Or Both?)
11:00am - 11:15am	TEA BREAK
11:15am - 12:15pm	PediCriticCon Keynotes
11:15am - 11:45am	Dr Jacqueline Ong
11:45am - 12:15pm	Dr EBOR JACOB
12:15pm - 1:30pm	Running on ECMO
12:15pm - 1:00pm	Panel Discussion : Keeping the Calm: Practical Challenges in Sedating the ECMO Child (Agenda: Challenges of providing sedation during ECMO)
1:00pm - 1:15pm	Balancing Bleeds and Clots: Anticoagulation in ECMO Made Practical (Agenda: Managing anticoagulation on ECMO)
1:15pm - 1:30pm	CPR Meets Circuit: Is India Ready for the Leap? (Agenda: E-CPR - How Much Is It Feasible In Indian Context?)
1:30pm - 2:30pm	LUNCH
2:30pm - 3:45pm	The Metabolic Challenge
2:30pm - 2:45pm	The Gut-Brain Axis in Pediatric ICU: A Microbiome Perspective
2:45pm - 3:00pm	Hypoglycemia in the Critically Ill Child: Causes and Quick Fixes
3:00pm - 3:45pm	Panel Discussion : Electrolyte Emergencies in the PICU: Algorithms, Controversies, and Pitfalls
3:45pm - 5:30pm	QUIZ: PICU Brain Buzzer
5:30pm onwards	Gratitude & Goodbyes

SCIENTIFIC SCHEDULE

DATE: 9th Nov Day -03

Hall - B

Time	Topic
8:00am - 9:00am	Free Paper : 6 papers of 8+2 mins each
9:00am - 11:00am	Storms, Clots, and Crisis: Hemato-Onco Challenges in Pediatric Critical Care
9:00am - 9:15am	Hemorrhage Control in Polytrauma: Precision in Pressure, Clotting & Care
9:15am - 9:30am	Thrombosis Meets Cytokine Storm in Sepsis: What Should We Tame First? (Agenda: Navigating Thrombo-Inflammation In Sepsis: Anti-coagulation Vs. Immunomodulation)
9:30am - 9:45am	The Race Against Time: Early Recognition in "Malignancy-Induced Cytokine Release Syndrome"
9:45am - 10:15am	Hemadsorption in the PICU: Magic Filter or Misplaced Faith?
10:15am - 11:00am	Panel Discussion : Transfuse or Tolerate? Finding the Balance in Pediatric Critical Care (Agenda: PICU Transfusions: Following the Guidelines or Trusting Our Gut?)
11:00am - 11:15am	TEA BREAK
11:15am - 12:15pm	PediCriticCon Keynotes
11:15am - 11:45am	Dr Jacqueline Ong
11:45am - 12:15pm	Dr EBOR JACOB
12:15pm - 1:25pm	Flash Talks: PICU Dogma Disrupted
12:15pm - 12:25pm	Antibiotics on the Clock: Timing, Dosing, and De-escalation in the ICU. (agenda- Saving Our Antibiotics: Stewardship Challenges)
12:25pm - 12:35pm	Chest Tube Not Bubbling: What Should You Do?;
12:35pm - 12:45pm	Flush That Line! When and How to Use Heparin Locks
12:45pm - 12:55pm	Don't Forget the Gut Starting Feeds in the PICU
12:55pm - 1:05pm	From Bed to Bed: Pediatric Transport 101
1:05pm - 1:15pm	BIPAP Quick Hits: Setting Up for Success
1:15pm - 1:25pm	BP Crisis in Children: Think Fast, Act Slow
1:25pm - 2:30pm	LUNCH

SCIENTIFIC SCHEDULE

DATE: 9th Nov Day -03

Hall - B

Time	Topic
2:30pm -5:30pm	Beyond the Bedside: Ethics, Quality & Safety in PICU
2:30pm -2:45pm	Small Things, Big Impact: Preventing Pressure Injuries and Line Infections
2:45pm - 3:00pm	Belly Under Siege: Clinical Clues and ICU Strategies for ACS (Agenda: Management of abdominal compartment syndrome (how to identify clinically? How to monitor? and how to manage?))
3:00pm - 3:15pm	Surveillance Cultures: Guardians of Prevention or Generators of Noise? (Agenda: Routine Surveillance Cultures In PICU: Preventive Strategy or Wastage?)
3:15pm - 3:30pm	Beyond Survival: Navigating Long-Stay Challenges in the PICU (Agenda: Prolonged PICU Admission-Medical And Social Challenges (Technology Dependent Child))
3:30pm - 4:15pm	Panel Discussion : Burnout in PICU: Caring for the Caring Team
4:15pm - 4:45pm	Debate : Simulation-Based Training: Essential for Quality or Overrated Add-On?
4:45pm - 5:30pm	Panel Discussion : Beyond Consent: Navigating Ethical Minefields in Pediatric Research
5:30pm onwards	Gratitude & Goodbyes

SCIENTIFIC SCHEDULE

DATE: 9th Nov Day -03

Hall - C

Time	Topic
8:00am - 9:00am	Free Paper : 6 papers of 8+2 mins each
9:00am - 11:00am	Airways, Algorithms, and Accreditation: The Many Facets of Pediatric Critical Care
9:00am - 9:15am	NIV or Intubate? The Grey Zone in Pediatric Respiratory Failure
9:15am - 9:30am	Difficult Airway: Plan-B and Beyond
9:30am - 9:45am	The Arterial Truth: Using ABG Trends to Guide Real-Time Decisions (Agenda: Beyond the ABG: Using Blood Gas Trends for Clinical Decision - Making)
9:45am - 10:15am	Stamp of Quality or Just a Stamp? Impact of PICU Accreditation (Agenda: PICU Accreditation: Does It Change The Unit Working Culture?)
10:15am - 11:00am	Panel Discussion : Saving Lives, Saving Costs: Can We Do Both? (Agenda: Can Cost Of Care And Quality Go Hand In Hand?)
11:00am - 11:15am	TEA BREAK
11:15am - 12:15pm	PediCritiCon Keynotes
11:15am - 11:45am	Dr Jacqueline Ong
11:45am - 12:15pm	Dr Ebor Jacob. Bridging the Gap : Scaling Pediatric Critical Care in India's Tier 2 Cities". OR Reaching the Unreached Strategies for Pediatric Critical Care in India's Emerging Cities"
12:15pm - 1:30pm	Beyond Boundaries: Exploring the Spectrum of Pediatric Critical Care
12:15pm - 12:30pm	Pediatric Polytrauma: To Cut or Not to Cut? (Agenda: Pediatric polytrauma: When Do We Involve The Surgeon?)
12:30pm - 12:45pm	Biomarkers in Pediatric Critical Care: Hype vs. Help
12:45pm - 1:00pm	Bronchiolitis Blues: What to do when nothing works?
1:00pm - 1:15pm	Routine Cases, Extraordinary Learning: Teaching Pearls from Global PICU Partnerships
1:15pm - 1:30pm	TelePICU Hub-and-Spoke: Expanding Pediatric Critical Care Beyond Metros
1:30pm - 2:30pm	LUNCH

SCIENTIFIC SCHEDULE

DATE: 9th Nov Day -03

Hall - C

Time	Topic
2:30pm - 4:15pm	Smart Moves in the PICU
2:30pm - 3:15pm	Panel Disussion : Buying Smart: Equipping Your PICU for Function, Not Fashion (Agenda: How To Choose The Right Equipment For My PICU?)
3:15pm- 3:30pm	Extubation Without Agitation: Mastering Sedation Tapering (Agenda: Painless Extubation: Sedation Weaning Strategies That Work)
3:30pm - 3:45pm	From Screen to Stethoscope: Apps That Enhance Pediatric Care (Agenda: Useful Apps And Software For Pediatric Practice)
3:45pm - 4:15pm	Debate : Data Overload: Does More Monitoring Mean Better Outcomes?
4:15pm - 5:35pm	Flash Talks: PICU Dogma Disrupted
4:15pm - 4:25pm	Mottled Skin: Shock or Cold Room?
4:25pm - 4:35pm	When Not to Intubate: Grey Zones in Airway Management
4:35pm - 4:45pm	Inubated asthmatics-do you use ZERO PEEP?
4:45pm - 4:55pm	ICU Skills You Didn't Learn in Residency (But Should Have)
4:55pm - 5:05pm	Safe Sedation: Protocols That Protect
5:05pm - 5:15pm	Stop! When Not to Give Antibiotics
5:15pm - 5:25pm	Top 5 ICU Red Flags You Should Never Miss
5:25pm - 5:35pm	Ouch Matters: Quick Guide to Pain Management in Critically Ill Children
5:35pm onwards	Gratitude & Goodbyes

PGs Hub

INDIA'S **BIGGEST** PEDIATRIC CRITICAL CARE ANNUAL EVENT

Dear PGs & Fellows

What's in store for you?

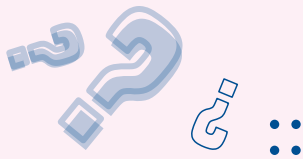

PICU Case Café

**POSTER & ORAL PAPER
PRESENTATION**

**Clinical Radiology
Showcases**

**Exciting Quiz
Competition**

Thesis Presentation

**ARE YOU UP
FOR IT?**

JOIN THE EXCITING **ACADEMIC FEAST
& WIN FAB PRIZES!!**

Get a Chance to Interact with More Than 35 International Academicians & Faculty

PGs Hub

Guidelines for "PICU Case Café"

PediCritiCon 2025 (7th November 2025)

Eligibility:

- ❖ Open to all members of the IAP Intensive Care Chapter
- ❖ Presentations are especially encouraged from fellows, DM/DrNB residents, and early-career intensivists

Case Criteria:

- ❖ Cases should be interesting, unusual, challenging, or educational in nature
- ❖ Only cases managed between July 2024 and August 2025 will be considered

Submission Requirements:

Submit a case summary (maximum 500 words) including:

- ❖ Clinical presentation
- ❖ Diagnostic challenges
- ❖ Management strategies
- ❖ Outcome
- ❖ Key learning points

Patient identity must remain confidential.

Shortlisting:

- ❖ Cases will be reviewed and shortlisted by the scientific committee
- ❖ Shortlisted presenters will be invited to present during PediCritiCon 2025

Presentation Format:

- ❖ Each presenter will have 12 minutes for the presentation, followed by 3 minutes for discussion
- ❖ Presentations should be case-focused, concise, and highlight practical learning points

Awards

First Prize
₹10,000

Second Prize
₹7,500

Third Prize
₹5,000

Delegates Choice Award
₹5,000

Certificates of recognition will be awarded to all presenters

We encourage you to share this information widely among your departments and colleagues
Let's make the "PICU Case Café" a vibrant platform for sharing valuable clinical experiences and learning together!

Note: for participation REGISTRATION for main conference is MANDATORY

Submission Deadline: The last date for receipt of case summaries is
25th September 2025

PGs Hub

CALL FOR ABSTRACT SUBMISSION

NATIONAL CONFERENCE OF IAP INTENSIVE CARE CHAPTER 2025

6TH TO 9TH NOVEMBER 2025

 HYDERABAD INTERNATIONAL CONVENTION CENTRE-HICC

Catergories	Eligibility Criteria
Fellow	<p>A student who is currently doing DM / DrNB / Fellowship in Pediatric critical care or who have completed the course within last 12 months</p> <p>The candidate should provide a Bonafide certificate from the course coordinator along with institutional/hospital ID card</p>
Postgraduate	<p>A student who is currently doing MD / DNB in Pediatrics or who have completed the course within last 12 months</p> <p>The candidate should provide a Bonafide certificate from the course coordinator along with institutional/hospital ID card</p>
Nurses	<p>A Nurse who had completed either BSc or MSc Nursing with atleast one year of PICU experience</p> <p>The candidate should provide a Bonafide certificate from the nursing superintendent along with institutional/hospital ID card</p>
Open catergory*	<p>MBBS, Other PG student Faculty / Consultant PhD</p> <p>*With research related to Pediatric critical care</p>

Abstract guidelines

- ♦ All abstracts must be in English.
- ♦ Authors must fill in all the pre-formatted fields as indicated in the online submission form.
- ♦ Arabic numerals should be used for all numbers except at the beginning of a sentence, where they should be spelt.
- ♦ Standard abbreviations and symbols should be used. Abbreviations should be defined when used for the first time.
- ♦ No figures and tables should be included in the abstract, nor should any attachments be submitted with the abstract.
- ♦ The abstract should preferably be written using word processing software, checked for grammar and spelling, proofread, and copied and pasted onto the abstract submission form.
- ♦ Abstracts, once submitted, cannot be modified or amended.

Article Type	Guideline / Format
Original article (Max 300 words excluding the Title)	Title (in Upper Case): Maximum 50 words Background/ Introduction Aim(s) of the Study Methods Results Conclusion keywords
Case report (Max 300 words excluding the Title)	Title (in Upper Case): Maximum 50 words Background/ Introduction Case Presentation Discussion Conclusion

Note:

- ♦ Acceptance of abstracts by the Scientific Committee does not imply permission to present the work at the conference.
- ♦ Presenting authors must register for the conference and pay the registration fees to attend the conference and make their presentations.
- ♦ The paper should mention the presenting author and the corresponding author.
- ♦ The email id of all the co-authors is a must.

PediCritiCon Imaging Honors: Clinico-Radiology Case Awards

PediCritiCon 2025 (7th November 2025)

Why Participate?

This session provides a platform for professional growth, networking, and learning through the presentation of fascinating clinical cases integrated with radiological findings - and a chance to win attractive cash prizes!

Cash Prizes:

1st Prize
₹10,000

2nd Prize
₹7,500

3rd Prize
₹5,000

Delegates
Choice Award
₹5,000

Eligibility:

- ❖ Open to all members of the IAP Intensive Care Chapter
- ❖ Participation is especially encouraged from fellows, DM/DrNB residents, and early-career intensivists

Case Requirements:

- ❖ Cases must demonstrate clinically significant radiological findings with clear clinico-radiologic correlation
- ❖ Preference will be given to unique, rare, or diagnostically challenging cases that offer strong educational value
- ❖ Cases must have been managed between July 2024 and August 2025

Submission Guidelines:

- ❖ Submit a case abstract limited to 500 words in PDF or Word format

Each abstract must include:

- ❖ A brief but unique past medical and social history
- ❖ A concise clinical course and management summary
- ❖ Key radiological images (e.g., X-ray, CT, MRI, Ultrasound) embedded in the document and appropriately labeled
- ❖ Clinico-radiologic correlation and key learning points

Must not include:

- ❖ Any patient identifiers

Other Important Details:

- ❖ Only one case submission per participant is allowed
- ❖ Each institution may submit a maximum of three cases
- ❖ A mentor (consultant or faculty-level physician) should be associated with each submission.
- ❖ All abstracts will undergo review, and a subset will be selected for presentation
- ❖ Selected participants will be notified and given further instructions to prepare a full case presentation with images for PediCritiCon 2025
- ❖ Patient consent must be appropriately obtained, and no patient-identifying information should appear in any submission or presentation

Presentation Format:

- ❖ Selected participants will be invited to present during PediCritiCon 2025
- ❖ Each presenter will have 8 minutes for their case presentation, followed by 2 minutes of discussion
- ❖ Winners will be announced during the conference

Submission Deadline:

- ❖ **The last date for receipt of case abstracts is 25th September 2025**
- ❖ **Let's make the Clinico-Radiology Correlation session an exciting platform for sharing knowledge and showcasing clinical acumen!**

Note: For participation REGISTRATION for main conference is MANDATORY

PEDIATRIC CRITICAL CARE **QUIZ** COMPETITION

8th November
2025

One Team will
Comprise of
(Two Students
from
Same Unit)

Who Can Participate?

- ✓ Pediatric Residents
- ✓ PICU Fellows
- ✓ Practicing Pediatricians

Quiz Highlights: Topics:

- ✓ Everything in Pediatric Critical Care
- ✓ Interactive Format
- ✓ Clinical Scenarios
- ✓ Rapid Fire Rounds

To
participate
in **QUIZ**, Submit
your Application
before 30th September
Limited Spots

Registration for Conference is mandatory to participate in QUIZ

Innovators of Tomorrow:

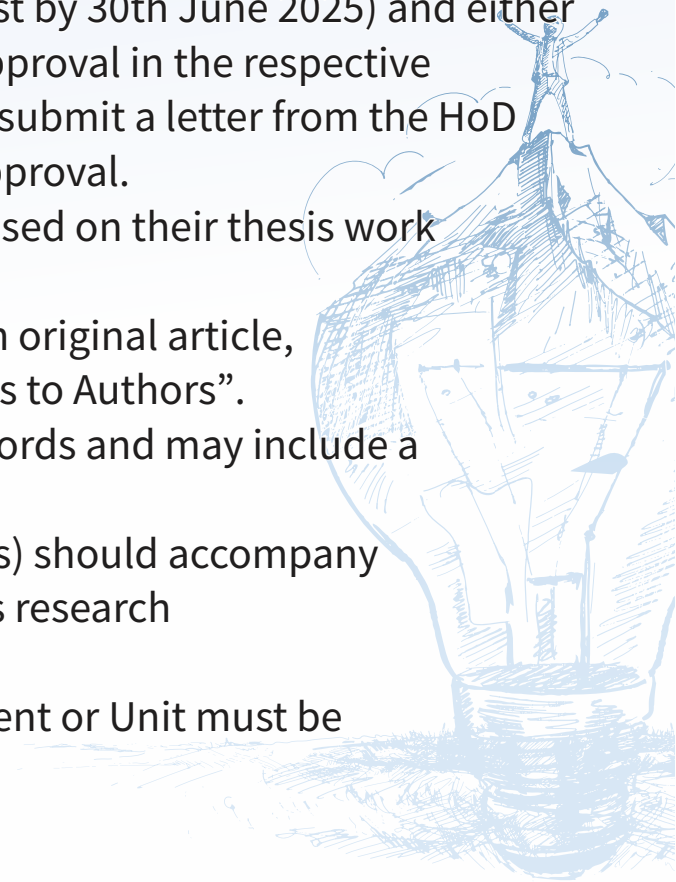

Pediatric Critical Care DM/DrNB Thesis Awards

Guidelines for Best DM/DrNB Thesis Award in Pediatric Critical Care

PediCriticCon 2025 (7th November 2025)

- ❖ The Thesis must have been submitted to the respective university/institute in the last three years (30th June 2022 latest by 30th June 2025) and either should be approved or under process of approval in the respective university/institute. The candidate should submit a letter from the HoD certifying that thesis is under process of approval.
- ❖ Candidates should submit a manuscript based on their thesis work for consideration for the award.
- ❖ The manuscript must be in the format of an original article, following the Indian Pediatrics “Instructions to Authors”.
- ❖ The manuscript should not exceed 2,500 words and may include a maximum of 25 references.
- ❖ A one-page summary (maximum 500 words) should accompany the manuscript, highlighting why the thesis research merits the award.
- ❖ A certificate from the Head of the Department or Unit must be provided, confirming:

- ◆ The thesis is the candidate’s own work.
- ◆ The thesis has been accepted by the university / institute or under process of approval .
- ◆ There is no restriction on the number of entries submitted from any department or institution.

A total of six candidates will be shortlisted

Shortlisted candidates will be invited, along with their chief guides, to present their work during PediCriticCon 2025, scheduled for 7th November 2025

Each candidate will be allotted 10 minutes for the presentation, followed by 2 minutes for questions from the judges

The final selection for awards will be based on evaluation by the panel of judges after the presentations

Awards:

First Prize
₹10,000

Second Prize
₹7,500

Third Prize
₹5,000

Certificates of merit will be awarded to all finalists.

We request you to kindly circulate this information among faculty members, DM/DrNB postgraduates, and senior residents

Note: For participation REGISTRATION for main conference is MANDATORY

The last date for submitting one-page summary for the competition is **25th September 2025**
While sending the summary, please mention whether thesis is approved or under process of approval with letter from HoD.
